2 May 1967

MEMORANDUM FOR: Special Assistant for Viet-
namese Affairs

Dear George:

25X1 There are many fine things that could be said about your presentation to the assembled Logistics Officers at [] on 28 April 1967. I believe, however, that six words sum it all up -- Brilliant in Substance; Masterful in Delivery.

All those privileged to hear your words benefited greatly and are extremely appreciative.

Best regards.
